

Applicant: Town of Marshall

Serves: Madison County

Amount Funded by ARC: \$300,000 of \$1,192,534 total cost

Project Description: This grant will help the Town of Marshall bring its water system into compliance. It will rehabilitate three well houses, install a corrosion treatment system, and replace water lines in three areas of towns.

Project 11: Phase 3 Mars Hill Water System Improvements

Applicant: Town of Mars Hill

Serves: Madison County

Amount Funded by ARC: \$300,000 of \$1,000,000 total cost

Project Description: This grants funds the third phase of water improvements by the Town of Mars Hill. This phase replaces a 5.5 mile transmission line that will allow Mars Hill to better manage public water during high demand times.

Project 12: Health Simulator Training

Applicant: Mayland Community College

Serves: Avery, Mitchell, and Yancey counties

Amount Funded by ARC: \$100,000 of \$235,200 total cost

Project Description: The grant will fund an instructor and lab coordinator position as well as classes in Mayland Community College's recently expanded allied health services program. That program now includes a birthing simulator mannequin and two advanced life mannequins to better train future healthcare workers. This funding will allow for training of 614 people over two years.

Project 13: Crestwood Farms Economic Development Project

Applicant: Town of Mocksville

Serves: Davie County

Amount Funded by ARC: \$300,000 of \$2,745,165 total cost
